

## Community Health Professional Development and Enrichment Program

**The Community Health Professional Development and Enrichment Program provides an opportunity to enhance students' professional development and to broaden their experiences at Tufts to help them achieve their career goals. Students are required to attend 6 or more events over one academic year. Apply on line at <http://ase.tufts.edu/commhealth/requirements/>**

### By attending these events, students will:

- Connect with Community Health faculty and staff
- Learn about exciting research in the field of community/public health
- Network with organizations and employers in the community
- Gain assistance with career planning post-graduation
- Connect with other students inside and outside of the CH department
- Enrich their knowledge, competencies and skills

### Eligible events:

- Community Health Events
- Community Health Alumni Mentoring Program (CHAMP) events
- Distinguished Speaker Events
- Other events sponsored and approved by the Community Health Dept.
- Internship events

**Students are required to attend 6 or more of these events over one academic year. Proof of your attendance will include:**

- Must be declared Community Health Major
- RSVP to the event
- Registration (as documented by a sign-up sheet)
- Participation and engagement at the event
- Evaluation of the event
