Fall River, MA 02720**

The Fall River Public School Department is sponsoring its third annual Teacher Recruitment Fair for candidates interested in teaching in an exciting, innovative urban school district. We welcome candidates who are licensed teachers and candidates currently enrolled in undergraduate or graduate teacher education programs in Massachusetts. We anticipate that we will have over 100 teaching vacancies for the 2008-2009 school year in all K-12 areas, with our greatest needs at the secondary levels. We are prepared to make early appointments to these vacancies, with a special focus on our critical need areas in Mathematics, Science, and Special Education. Candidates should possess or be eligible for a Massachusetts educator license prior to the start of the 2008-2009 school year.

We encourage candidates to visit with our school principals at the Teacher Recruitment Fair and learn about the educational achievements and challenges at each of our elementary, middle and high school. Please bring multiple copies of your resume for distribution to school principals.
