

Microeconomics in Context (Goodwin, et al.), 3rd Edition

ERRATA

Some print runs of *Microeconomics in Context*, 3rd ed., have errors which have been corrected in later print runs. For those who have copies of the earlier versions, here are the errors and corrections:

pp. 118-9: Exercises numbered 3-6 should be numbered 4-7.

pp. 282-3: References to Figure 12A.2 should be to Figure 12.8.

p. 73: The fourth combination of market changes should read “Decrease in supply, decrease in demand”.
