

Researcher/Senior Researcher Job Ad

The [Applied Economics Clinic](#) (AEC) provides technical expertise to public service organizations working on topics related to the environment, consumer rights, the energy sector, and community equity. Founded in February 2017, AEC is a non-profit consulting group offering low-cost and pro bono expert services from seasoned professionals, while also providing on-the-job training to the next generation of technical experts on public interest issues. AEC is housed at Tufts University's Global Development and Environment Institute in Somerville, Massachusetts.

AEC is accepting applications for a Researcher or Senior Researcher position to work on applied economics projects related to climate, energy, the environment, consumer issues, and equity.

The ideal applicant would be able to:

- * Demonstrate strong technical/quantitative skills including a deep knowledge of complex functions in Excel, and experience in statistics, modeling, and/or other forms of quantitative analysis
- * Demonstrate strong writing skills and an understand of how to write for both technical and popular audiences
- * Demonstrate an ability to work on multiple projects at once and manage time well
- * Demonstrate an ability to work collaboratively, sharing tasks, knowledge, and work space with colleagues
- * Demonstrate a willingness to learn new things and use feedback to improve

Applicants may come from any technical field (economics, engineering, science, etc.) but should have a strong interest in some or all of the following topics: climate, energy, the environment, consumer issues, and equity.

Not required but desired: A background in energy and environmental issues, electric vehicles, economics, and/or political economy.

This is full time position with benefits. Salary is very competitive. The position will begin in February or March 2018.

Applications will be accepted until February 1, 2018. To apply, please send a cover letter, CV, Excel sample, technical writing sample, popular audience writing sample, and the names and contact information of three references to: liz.stanton@tufts.edu
