

BE INFORMED IF THERE IS A COMEDY ATTACK

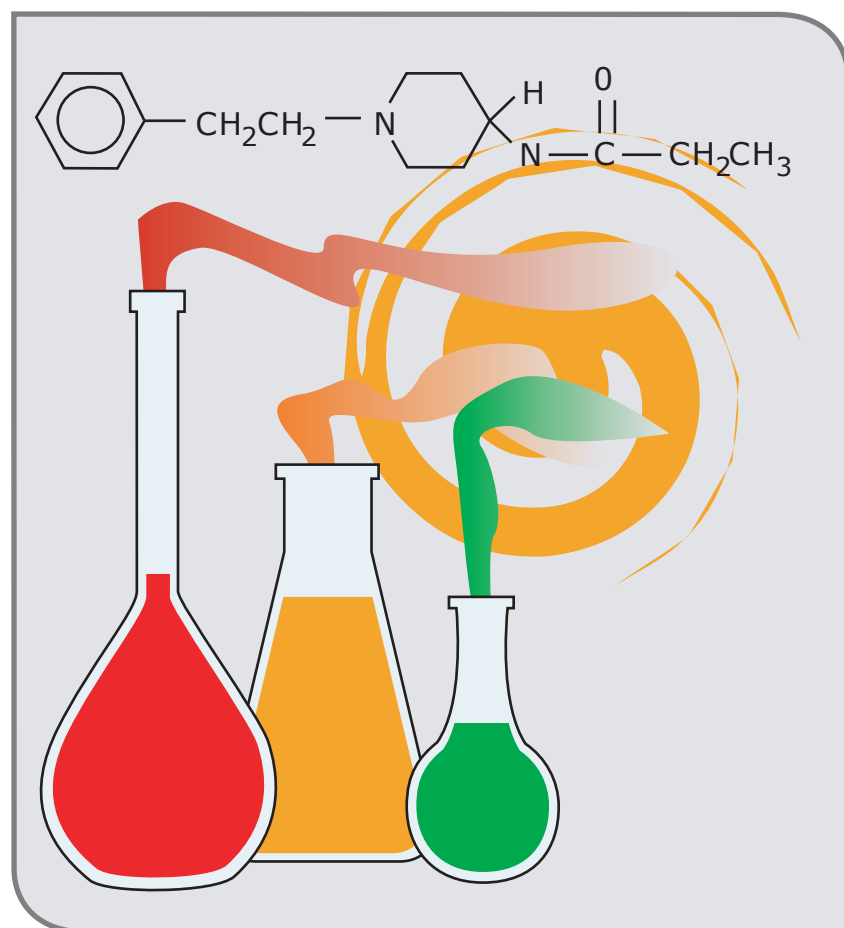

1. Approach the source of humor with caution. While it is not dangerous, comedy is not for everyone.

2. You may experience heightened amusement as you approach the epicenter. This is perfectly normal.

3. Although it is funny, spontaneous combustion is rarely the result of a comedy attack.

4. To see how you can help, please visit your local comedy laboratory, or...

THE ZAMBONI

In these trying times, the demand for merriment is at an all time high. Comprised of America's finest humorologists, this group is committed to keeping the homeland amused, but they need your help. Every Tuesday at 9:30 PM, The Zamboni (Tufts University's student-run funny paper) meets in Eaton 209. Don't be afraid... Be Funny.
